Price Increase Announcement

SFS

Effective: September 14, 2026

Dear Valued Customer:

Effective September 8, 2026, the Government of Canada has implemented an additional 25% counter-tariff on certain U.S.-origin products imported into Canada.

As a result, SFS will be implementing a price adjustment on specific products and components impacted by these additional tariffs. They have reviewed the impact on an individual item level and limited the adjustment to affected US-origin content rather than applying a general increase. SFS will implement a price increase of approximately 5%-17%, effective September 14, 2026, on all affected products.

All orders with the above products shipped on or after September 14, 2026, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
