Price Increase Announcement BP, CERTAINTEED, GAF & MALARKEY

Effective: May 1st, 2026

Dear Valued Customer:

All shingle manufacturers have recently announced a price increase related to the rise in raw materials used to produce the products. Additionally the cost to distribute these products has impacted our business; Convoy Supply will implement a price increase of 5% to 10% on all Residential Roofing Shingles products, effective May 1st, 2026.

All orders with the above products shipped on or after May 1st, 2026 will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
